

THE  
GREATEST  
STORY

EVER

Have you ever heard that God loves you? The love story between God and humanity is the most extraordinary story ever. And it's a story about you!

It all started when God created the world and everything in it. Humanity lived in peace and harmony with God.

Then, humanity decided to go its own way and turned away from God. We can see the results of this decision in the hate, jealousy, sickness, and war we experience in the world. But the scariest part is that our sin caused us to be separated from God.

God is just and cannot ignore our sin. But because he loves us so much, God sent his Son, Jesus Christ, into our world. He died on the cross for everyone, taking the punishment for our guilt upon himself. On the third day, Jesus rose from the dead, and the way to God was restored through him.

Our good deeds will never be enough to save us. There is only one way: accepting Jesus as Lord of your life and repenting of your sin.

Jesus wants to be a part of your life, forgive your sins, and give you eternal life. Through Jesus, you can have a personal relationship with God. If you want to follow him, here are some ways you can begin your relationship with him:

- **BIBLE** – Read the Bible. God’s Word helps us learn more about him.
- **PRAYER** – Prayer means talking to God. Talk to God about how you want to invite him into your life.
- **BAPTISM** – Make a public declaration of your transformed life.
- **FELLOWSHIP** – Spend time with other believers at a local church.
- **WITNESS** – Share what Jesus has done in your life with others.
