# NEED A LIFELINE?

Life is hard. The demands, worries, pains, and pressures of life can feel like water rising over your head. Maybe you've lost your job, or you can't find one? You've made mistakes and done things you wish you could take back. Perhaps the world is taking its toll on your family, and they've experienced something that you never wanted for them.

Keeping everything together is overwhelming and exhausting. The hardest part is that you feel like you're treading water alone, but the truth is that you were never made to navigate the storms of life by yourself. In this very moment, you are known, seen, and heard.

God created you, and he cares about you so much that he gave you prayer as a lifeline to him. He wants you to draw near. It doesn't matter what you did last night. You can talk to God; that's what prayer is.

You don't need to be afraid of saying the wrong things or act as if you have it all together. The power of prayer is not in the right words; it is in believing God listens and wants a relationship with you. So don't let anything keep you from talking to him. Come near to God, and he will come near to you.

We don't always know how or when God will answer our prayers, but we know that nothing is impossible for him. Invite him into your life today. Prayer is your lifeline! To learn more about prayer, visit
